

# HOW TO CREATE A MEET & GREET

PLEASE ENSURE VACCINES HAVE BEEN UPLOADED OR ARE BROUGHT TO THE MEET & GREET!

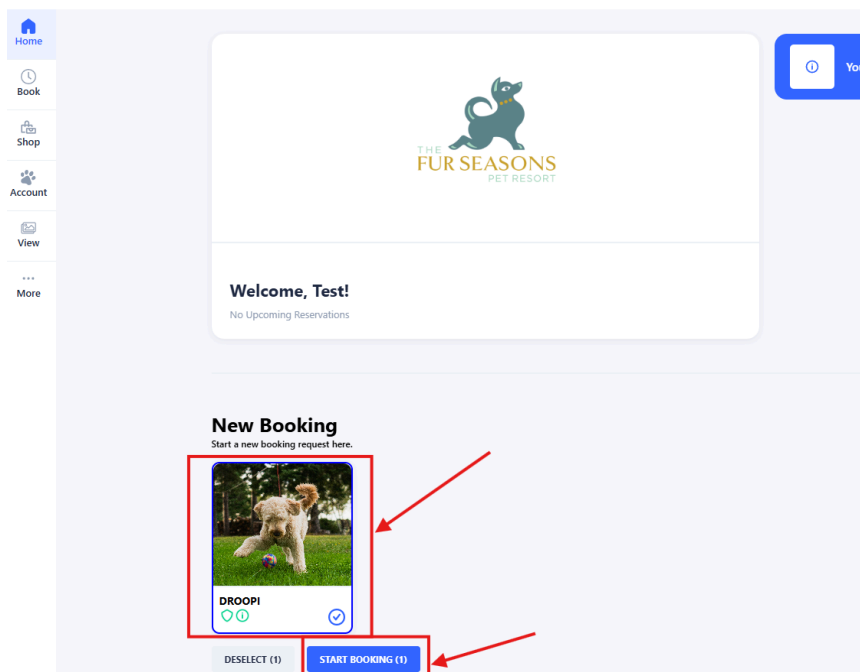

1. On our website, you may click on any of the buttons shown below. The “Reserve a Stay!” button can be found on all pages throughout our website.

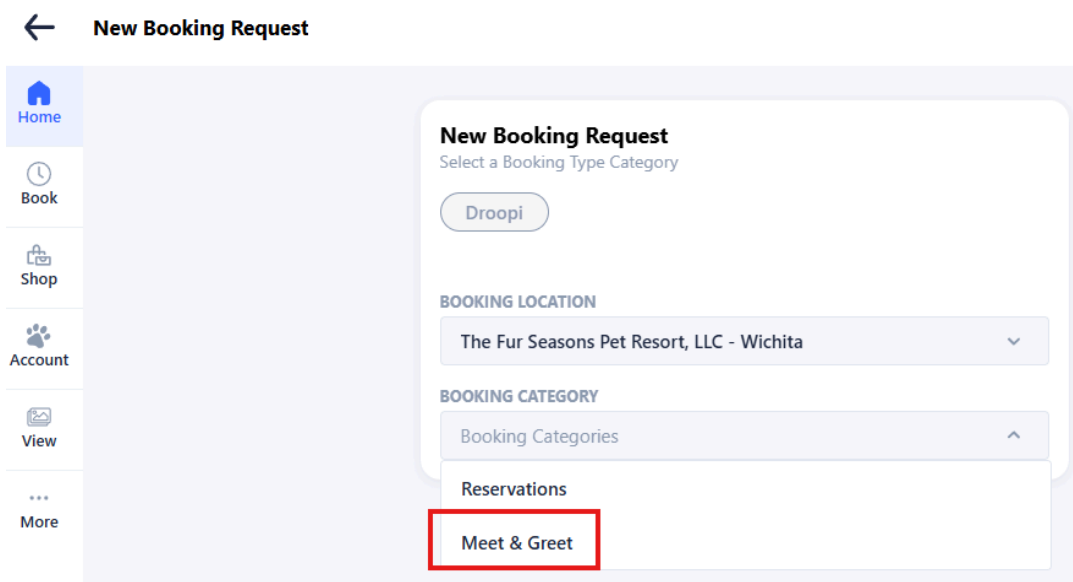

2. This will direct you to a login screen. If you have not created an account with us, please do and feel free to call us with any issues you might have creating the account. Do not worry if you make a mistake, you are able to edit these details on your dashboard at any time.

A screenshot of the login screen for The Fur Seasons Pet Resort. The page has a light blue background with a white central area. At the top, there is a logo for "THE FUR SEASONS PET RESORT". Below the logo, there are two input fields: "EMAIL / MOBILE PHONE" and "PASSWORD". Each field has a placeholder text and a small icon. Below the "EMAIL / MOBILE PHONE" field, there is a link that says "First time logging in? Reset your password." and a link that says "Reset Password?". At the bottom, there are two buttons: a blue "LOGIN" button and a light blue "SIGN UP" button.

3. In your dashboard, select your pet and then the “START BOOKING” button. If you have multiple pets, you will need to create a Meet & Greet appointment for each separately as the system will not allow you to have 2 appointments at the same time. You can bring them both in at the same time, we do this to ensure multiple customers can’t overlap bookings.

4. On the next page, select “Meet & Greet” on the drop-down menu.

5. Then, select the “Meet & Greet - Click Here to Schedule” button.

6. This next page is to add any notes we should know about your pet. (Examples would be “sprained foot”, “is afraid of big men”, “jumps on people”, or “is not a fan of people in hats.”) Once done or if not needed, click on the “Dates” button.
